WHAT IS THIS TYPE OF INSURANCE?

This is an annual policy for cat & dog owners and will provide cover for insured conditions that your pet may develop during the policy term. You can submit any number of claims for each condition your pet may suffer from in each policy term. Once the maximum benefit or 12 months after the first treatment date has been reached for each condition claimed, no further cover will be provided. If we offer to cover your pet at renewal and you accept, by agreeing to pay the premiums, treatment can continue to be claimed in another policy term up to the maximum benefit or 12-month time limit, subject to the Policy Terms and Conditions.

WHAT IS INSURED?

- ✓ **Veterinary fees** - Up to £3000 per condition for up to 12 months.
- ✓ **Third party liability cover (dog owners)** provides cover if a person or third party is accidentally injured, killed, or their property is damaged as a result of an incident involving your dog - up to £1,000,000 each policy term.

WHAT ELSE IS INCLUDED?

- ✓ **FirstVet** - Free pet video consultations available 24/7.

WHAT IS NOT INSURED?

- ✗ Costs of treatment relating directly or indirectly to an illness or disease within the first 14 days, or to an injury or accident within the first 24 hours of the start of cover (not applicable at renewal).
- ✗ Costs of preventative treatment recommended by your vet, or elective treatments.
- ✗ Costs of dental treatment carried out 12 months or more after the recommendation of treatment from a vet.
- ✗ Cost of house calls, unless the vet confirmed your pet was or could have been suffering from a life-endangering condition.
